

“Know Why You Believe”

Are the scriptures really reliable documents?

Do archaeological and scientific data agree with scripture?

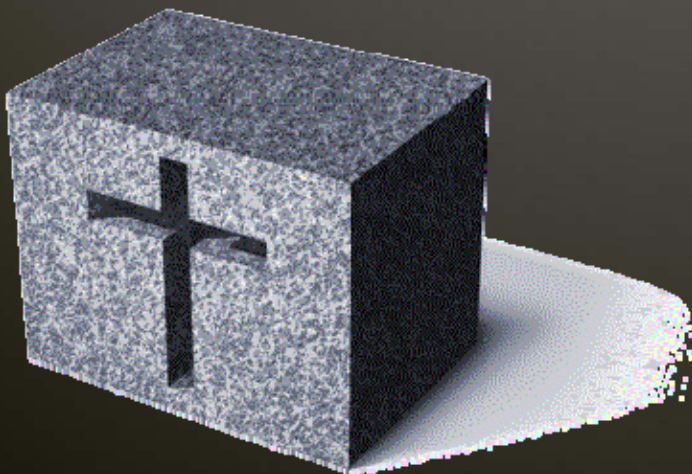

Why does a loving God allow suffering to exist?

God calls each of us to “always be prepared to give an answer to everyone who asks you to give a reason for the hope you have.”

1 Peter 3:15

The Cornerstone’s first series of classes, entitled “Know Why You Believe,” will explore Biblical and secular evidences that validate the Christian faith and tackle some of the most common objections to Christianity.

Whether you feel confident in your Christian faith, have some lingering doubts, or are just beginning to wonder about the validity of Christianity, we welcome you for a time of authentic discussion and learning. Please join us as we seek to strengthen our faith and equip ourselves to carry forth the good news of the Lord!
